

ANTIQUUM FARM

2012 JUEL PINOT NOIR

FARMED WITH CONVICTION, INTUITION, AND PASSION.

A pinot of electrifying intensity and power. Deep, dark, fully mature fruit is suspended in perfect tension with mouthwatering, high-toned acidity and fruit-centric tannins.

This vineyard is farmed without fertilizers. Grazing sheep, poultry, fowl, and cover crops provide all nutritional needs for the vineyard.

A team of draft horses cultivates the hillsides. Antiquum is an idyllic scene from another time. These methods accentuate and hone the exotic voice of this exceptional site.
