

# ANTIQUUM FARM

## 2014 JUEL PINOT NOIR

FARMED WITH CONVICTION, INTUITION, AND PASSION.

*A pinot of electrifying intensity and power. Deep, dark, fully mature fruit is suspended in perfect tension with mouthwatering, high-toned acidity and fruit-centric tannins.*

*This vineyard is farmed without fertilizers. Grazing sheep, poultry, fowl, and cover crops provide all nutritional needs for the vineyard.*

*A team of draft horses cultivates the hillsides. Antiquum is an idyllic scene from another time. These methods accentuate and hone the exotic voice of this exceptional site.*
