2014 LUXURIA PINOT NOIR

FARMED WITH CONVICTION, INTUITION, AND PASSION.

Luxuria is sourced from a single stunning Allier barrel. A pure and lush fruit core displays our 777 clones fullest expression. The multiple layers of fruit driven tannin are coupled with taut natural acidity, giving the wine an electric purity, focus, and movement between two extremes. The generous oak treatment plays well with the opulent fruit and singing high tones.

This is powerful and intense pinot coupled with grace and finesse.
