

# ANTIQUUM FARM

## 2014 PASSIFLORA PINOT NOIR

FARMED WITH CONVICTION, INTUITION, AND PASSION.

*Passiflora is a marriage of beautiful misfits and expresses Antiquum Farm's signature balance of vibrant tropical acidities, and floral spice unified with intensely concentrated fruit. This meticulously tended, high-elevation, thin-soil vineyard consistently produces sensuously mature fruit countered by abundant natural acidity. Passiflora is an uncommon pinot and honed expression of this unusual place. Exotic citrus and passion fruit acidity counter powerful blue and black fruit. Lavender, violet, and spice tones dance in the corners.*
