

# ANTIQUUM FARM

## 2015 AUROSA PINOT GRIS

FARMED WITH CONVICTION, INTUITION, AND PASSION.

*Aurosa is a Pinot Gris of uncommon methods. This crisp and focused wine is farmed similarly to a cool climate red. The clusters are exposed to more sunlight to build thicker skins, aromatic components, and structure. Conversely, the yields are elevated to retain acidity and restrain sugars. The fruit is crushed, much like a red, but left on the skins for only 36 hours. It is barreled on the lees for 5 months.*

*The resulting wine is a charming light copper color with aromatics of hibiscus and rose hip tea with cinnamon teas rose swirling in the background. A crisp and vibrant framework with elegant texture embraces Aurosa's floral and citrus notes against a backdrop of steely minerality. A thoroughly delicious and a very fun wine.*
